

SPEAKERS

Two popular creation speakers will headline the retreat program:

David Rives has field experience in astronomy, paleontology and archaeology which has made him an in-demand speaker on creation versus evolution topics. His powerful and inspirational

delivery makes learning about Bible history and science fun and easy for audiences of all ages. His use of the ministries' observatory-class telescopes has resulted in breathtaking astro-photography which has been featured in textbooks, scientific literature and shown to audiences around the world. David's weekly TV show "Creation in the 21st Century" airs to millions globally on TBN with interviews of leading creation scientists. He is an author and weekly news columnist on science and the Bible. Just as the heavens declare the glory of God, David is proclaiming the manifest presence of God throughout the universe.

Dr. Charles Jackson, or Dr. J, as he is often called, has degrees in Biology, Environmental Biology and Science Education. He also has a Doctorate of Education in Secondary Science Education from the University of Virginia. He has been

teaching high school and college for over 40 years in the life and physical sciences. Dr. J has been speaking on creation science since the mid-1970's and has spoken and debated on many campuses across the U.S., as well as in Canada, Croatia, Venezuela, Peru and Fiji. Dr. J appeared in the 2017 documentary, "Genesis: Paradise Lost" and figures in a Christian Sci-Fi TV series, "Quantum" (in pre-production). Dr. J's knowledge, humor and engaging speaking style informs and entertains both young and old audiences.

Michael Maughon performed in the *Le Rêve* show in Las Vegas before coming on staff at DRG in order to develop an Outdoor Education program. Michael uses his large collection of birds and reptiles to illustrate the Creator's designs.

Dean Walker is the Executive Director of the Geneva Institute of Christian Thought, which is dedicated to providing educational options from a Christian worldview. The focus is on training young men and women for higher education and life. Dean teaches Bible, Greek, apologetics, and church history.

Steven Warhurst is the Associate Pastor of Westminster Presbyterian Church, Kingsport, TN and Board Member of The Geneva Institute of Christian Thought. He teaches introductory logic and four courses on the Great Books of the Ancient World, Christendom, Renaissance & Reformation, and the Modern World.

Creation, Science, and the Bible

Doe River Gorge Ministries Camp
Hampton, Tennessee

Thursday evening, October 28 to
Saturday morning, October 30, 2021

Please join us for a mountain retreat to see and learn about the beauty and design of God's creation. The location is one of the most beautiful places in the southern Appalachian Mountains—Doe River Gorge Ministries, Hampton, Tennessee! The date should be near the peak of fall foliage color.

This Christian family conference will include lectures on creation, evolution, DNA, birds, reptiles, dinosaurs, fossils, astronomy, worldviews and the Bible. A field trip in the spectacular Doe River gorge by way of a narrow-gauge railroad train will focus on the geology and biology of the river canyon. Telescopic viewing of the heavens will be done in the evenings. Live animal presentations will look at the designs of our Creator God in birds and reptiles. Teaching will be appropriate for middle schoolers to adults. Delicious meals, comfortable lodging and other activities are provided by the camp. The cost of lodging can be subtracted for attendees living near the camp and commuting.

Following the retreat is the **Doe River Gorge Maze of Life** which attendees can enjoy without additional charge. This weekend event includes a corn maze, train rides, hayrides, pony rides, petting zoo, food, and other activities for the whole family.

ABOUT DOE RIVER GORGE

Doe River Gorge is a Christian camp in the mountains of East Tennessee. The year-round camp has been inspiring and equipping people to be passionate followers of Christ for 26 years.

The 400-acre camp includes three miles of narrow-gauge railroad track which was once part of the East Tennessee and Western North Carolina Railroad (ET&WNC). This railroad was built in the early 1880's and was affectionately known as the "Tweetsie." Its route through the mountains along the Doe River is of exceptional natural beauty.

The ministry operates summer camps, a gap year program, custom retreats and outdoor education. Please visit the website for more information about the camp, activities and facilities.
